

# Pet Carriage Consent

I hereby agree that I will keep all the following conditions upon carrying a pet in a rented vehicle. I also agree that Nippon Rent-A-Car Service, Inc. does not have any liability for the damages caused to a pet during the car rental period.

## Conditions to carry Pet

1. A pet to be carried in a rented car must be either cat or dog in good health.
2. A pet must have been immunized with vaccines and be in the effective period.
3. A pet must stay in the cage smaller than 70cm x 90cm x 75cm, and the cage must be put on the designated area in the rented vehicle over the specified pet sheet.
4. A pet must stay in the cage all the time while in the rented vehicle.
5. A pet must not eat or drink while on the rented vehicle.
6. If a pet voids in the rented vehicle, it should be cleaned immediately in a proper method.
7. A pet cannot be left alone in the vehicle even for the shortest period of time.
8. Nippon Rent-A-Car does not have any liability for the accident or disease a pet may experience. Furthermore, a pet is not covered in any insurance that Nippon Rent-A-Car offers.
9. Upon returning the rented vehicle, should unacceptable amount of hair, odor, or any defacement be found, NOC of 20,000 yen must be paid for cleaning/repairing.
10. In an event when a pet causes any damage to Nippon Rent-A-Car, Inc. or any third party, I am responsible for any compensation.
11. I will follow all the laws, ordinances and regulations of Japan and municipal government regarding protection/control of pet animals.

I, the “renter” signing below, have read and agree to the above conditions.
